

Schools' Vote Is On Tuesday

LOCKPORT -- Voters in Lockport Township High School District 205 will go to the polls Dec. 16 to decide the future building and educational quality of the district.

School officials are seeking approval of a \$7.9 million building fund and a 52-cents increase in the education fund. The building program, needed to house an increase in student enrollment in 1970, would permit additions to the East campus. Facilities now housing 1,200 students would be constructed to house 2,200 students.

The referendum also includes the construction of an additional high school in Bolingbrook. This facility would provide initial housing for 1,100 students and core facilities for 2,200 students. The total construction program would increase student capacity of 2,800.

The present educational fund tax of 92 cents per \$100 of equalized assessed valuation would be increased to a limit of \$1.44. This new rate could produce approximately \$1,200,000 in additional revenue, which would help offset the current deficit of \$1,700,000 in this fund.

The largest portion of this fund (about 80 percent), is expended on teacher and educational staff salaries. Other expenditures from the fund include payment for desks, chairs, instructional materials, supplies and other operating expenses of the school.

Elementary school boards, village boards, veterans groups and other organizations in the area have adopted resolutions in support of the referendum. These resolutions urge all citizens to recognize the need for growth of the district and the best possible education for all students. Voters are urged to go to the polls on Dec. 16 and vote affirmatively for these much needed programs.

Polling places are:

Precinct 1. Lockport Central High School, 12th and Jefferson Streets, Lockport. Voters in that part of District 205 lying within Grade School Districts 90 and 91.

Precinct 2. Chaney Grade School, 1819 Center Street, Crest Hill. Voters in that part of District 205 lying within Grade School Districts 86 and 88.

Precinct 3. Richland School, 1919 Caton Farm Road, Crest Hill. Voters in that part of District 205 lying within Grade School District 88A.

Precinct 4. Fairmont Grade School, Green Garden Place and Nobes Avenue, Lockport Township. Voters in that part of District 205 lying within Grade School District 92.

Precinct 5. Ludwig Grade School, Route 171, Lockport Township. Voters in that part of District 205 lying within Grade School District 92.

Precinct 6. Homer C. C. Grade School, Cedar Road, Homer Township. Voters in that part of District 205 lying within Grade School District 33C.

Precinct 7. Park View Grade School, Alexander

Circle and Dalhart Avenue, Romeoville. Voters in that part of District 205 lying within Grade School District 96 which lies south of U.S. 66 (Int. 55), north of 135th Street (Romeoville Road), and also east of the Commonwealth Edison highline.

Precinct 8. West View Junior High School, 590 Belmont Road, Romeoville. Voters in that part of District 205 lying within Grade School District 96 which lies south of 135th Street, south of U.S. 66 and west of the Commonwealth Edison highline.

Precinct 9. North View Grade School, Briarcliff Road, Bolingbrook. Voters in that part of District 205 lying within Grade School District 96 which lies north of U.S. 66.

Study Sewage Plant

BY JOSEPH SEVICK

LEMONT -- Members of the village board are studying proposals for a sewage treatment plant that would serve a 168-lot sub-division at the southwest corner of the village.

Trustees also heard a report Monday night on Lemont's position on approval to acquire land north of the village by the Cook County Forest Preserve District.

Thomas Kaar, an engineer, presented a proposal for a sewage treatment plant to the board Monday night. The plant would serve the area between 125th and

127th streets, from Walter St. on the east to what will become Timothy Lane, two blocks to the west. Four landowners from Oak Lawn have been planning to make a 168-lot sub-division in the area. Homes would sell for \$25,000 to \$36,000.

The plans for the treatment facility for the homes have been reviewed by the village planning commission, Kaar said. It approved providing there are road modifications and that the area is rezoned for single family homes.

Joe Schudt, village engineer, said the installation

would service the homes, but said there should be guarantees that the treatment plant will be manned and that operating costs will be paid.

Kaar said the plant would be paid for in the purchase of the land, and that for a time it could be operated without charge to property owners. He said the Metropolitan Sanitary District is supposed to bring interceptor sewers into the area as it develops. These would replace the treatment plant.

Schudt was skeptical over quick Sanitary District action, and said the pattern is for delay by the Sanitary

District once a treatment plant is operating. He said it is important to plan methods to pay for operating costs.

Village trustees said they would study plans before allowing any rezoning. The area must be rezoned before construction can start.

Dale Anderson, village attorney, said the Cook County Forest Preserve District met last week and gave authorization to complete acquisition of 300 acres of land. It will be used as a wildlife refuge.

Bounds are the Will-Cook line on the west, the Des-Plaines River on the south,

Stephen Rd. on the east, and Bluff Rd. on the north.

Anderson appeared before the board to ask that they delay a decision to carry out the half million dollar purchase until Mayor John Kujawa, now vacationing in Europe, could return in January. He was denied.

The village has opposed the acquisition, fearing the Forest Preserve District would allow quarrying. Also, the area could not be developed, so potential tax revenue would never materialize.

Accept Zoning Changes

FRANKFORT -- Frankfort Village Board accepted the recommendations submitted to them at the Dec. 1 meeting from the Zoning Board of Appeals concerning the rezoning of a 122-acre tract of land.

The rezoning deals with a petition submitted by Henry Hossbach, who owns land on the south edge of the village between Ohio St. and Laraway Rd. He asked for

rezoning from R-1 to I-1. Unanimous board approval was given, and the attorney was instructed to draw up an ordinance dealing with the zoning.

An estimate of \$3500 was submitted for the cleaning of the drainage ditch in Connecticut Hills. A discussion was held by the trustees and it was decided that further investigation should be made into the use of chemicals to

kill the brush, and have the village employees clean out the brush this winter.

Trustee W. H. Osmus reported on the insurance program that the village wanted looked into. He stated that the plan can be obtained as a package deal only. Following a discussion, the motion was made and seconded that the village adopt Plan-30, effective Jan. 1, 1970, for all full-time employees. The

village will pay the employees premiums, and the employee can then pick-up the difference for dependent coverage if he so desires.

Attorney R. H. Santoro presented an ordinance for adoption, providing for the entering into of a 99-year lease for the park property of the village. Motion was made and seconded, and the ordinance was unanimously approved.

A discussion was held on the hours the village hall is open for business. It was felt that it would be more beneficial to have the hall open on Saturday morning than on Friday evening. A motion was made and seconded that effective Feb. 1, the hours for the village hall will be: Monday through Friday, 9 a.m. to 12 noon, and 1 to 4 p.m., and Saturday mornings from 9 a.m. to 12 noon.

District Sets Winter Program Plans

LOCKPORT -- The Lockport Township Park District has announced the schedule of recreational programs for the winter season.

Thirteen Saturday afternoons will be devoted to basketball instruction and games for grade school aged boys (grades 3-8) and high school boys. There will be three instructional sessions prior to the forming of teams. A tournament will be held during the last three weeks of the program.

All boys will be assigned to a team. Regardless of the score or possible outcome of all games, each youngster will be permitted to play at least two quarters of each

basketball game. Players will need tennis shoes and can wear either gym trunks or play-clothes. There will be three divisions of play - Bantams (3rd through 5th), Juniors (6th through 8th) and High School (Freshmen through Seniors).

Each division will have an established period of play. Bantams will play from 12:30 to 2 p.m.; Juniors from 2 p.m. to 3:30 p.m.; and High School from 3:30 p.m. to 5 p.m.

This program began Saturday, Dec. 6, and runs through March 14. Those interested are instructed to register at only one of the five locations which is most

convenient. The program will be run at the following school gymnasiums: Fairmont, Chaney, Kelvin Grove, Richland and Taft.

In conjunction with the Saturday Basketball Program, a Free Throw Tournament will be held Feb. 14. Each participant will be allowed two practice throws before attempting the 25 free throws for competition. Trophies will be awarded to the winner of each of the three divisions - Bantam, Junior and High School. This special event will be held at each of the five locations used in the Saturday Basketball Program.

Teenage basketball; The

gymnasium at Chaney and A.F. Hill Schools will be open to Lockport Township Park District high school students for basketball open-play. Chaney gym will be open on Thursday from 7 p.m. to 9 p.m. on Dec. 4 through March 5. A.F. Hill School on Wednesdays from 7 p.m. to 9 p.m. on Dec. 3 through March 4.

Grade School Swim Instruction - Group II; Children in grades 1 through 8 from St. Dennis, Chaney, Richland, Ludwig and Walsh schools may participate in the second eight week session of the swim instruction program. Participants will be ranked according to ability

and placed in either the Beginners, Advanced Beginners, Intermediates or Swimmers division. Well-qualified instructors will teach various swim skills and test each child.

Children must be at least 39 inches from the bottom of the chin down. Children will swim the first Saturday. Boys and girls will need bathing suit and towel. Girls will need swim cap, too.

The third eight week session of the swim program for Group III grade school children is tentatively scheduled to begin on Feb. 21.

Only residents of Lockport Township Park District are

eligible for these recreational programs. All instructional fees must be paid in advance at the Park District Office or mail application and check to Lockport Township Park District, Dellwood Park, Lockport (make checks payable to Lockport Township Park District).

Registration for all programs is on a first-come, first-serve basis. Class size will be limited and programs may be cancelled due to insufficient enrollment. Anyone interested in working with people or assisting in any recreation program should contact the Park District. For any additional information call 838-1183.

Oakwood School Dates Decided

By JOSEPH SEVICK

LEMONT -- Moving day for equipment has been set for Dec. 17, 18 and 19 for the new Oakwood School at 1031 Kim Place. Nearly 425 pupils start classes there Jan. 5. The day before, Sunday, Jan. 4, is open house.

That's the timetable set up by the board of education of Consolidated Community School District 113 at a meeting Monday night at Central School.

Board members and administrators discussed progress of construction, and heard reports that varnishing, cleaning and installation of some major items remain before the doors can open.

When students come Jan. 5, they'll be using a building that was authorized for construction by voters in June, 1967. Delays blocked an occupancy date of Sep-

tember, 1969.

Parents whose children will attend the new school are being notified. Generally, Logan St. has been used as the dividing line between north and south. In the south attending the new Oakwood school will be 422 pupils in 4 kindergarten classes, 3 first, second and third grades, and 2 fourth grades.

Remaining at the Central school will be 592 pupils, in 4 kindergarten classes, 1 first, second and third grades, 2 fourth grades, 3

fifth grades, 4 sixth grades, and 3 seventh and eighth grades.

Laurin R. Blasier, principal of District 113, will be in charge at Oakwood school, and Mrs. Delores Marcotte will be the secretary.

Plans for bus routes and lunch schedules are being distributed to parents, along with routings for bus and auto traffic at the school grounds. One crossing guard and two substitute guards are also being sought.

Board members Monday

night authorized purchase of movie screens and window shades to round out the list of equipment for the new building.

William Dunk superintendent, said that all information will be sent to affected parents by Dec. 16, the last day of school before the Christmas vacation. Parents and the public are invited to the Jan. 4 open house, from 2 to 5 p.m. Last minute questions of parents will be answered then, before school resumes the next day.

Seeks 7th Victory

COOK COUNTY -- Edward J. (Ed) Derwinski, Republican Representative from the 4th Congressional District, has announced he will seek re-election for his seventh term in Congress.

In making his announcement, Derwinski said, "I am very grateful to the citizens of the Fourth Congressional District whom I have been privileged to serve in Congress and I am hopeful that I will continue to receive

their support.

"In my six terms in the House I have steadily gained important seniority within my committees and this enables me to provide ever-increasing service to my District," the Congressman added.

Derwinski is a member of the House Foreign Affairs and Post Office and Civil Service Committees and served one term in the State legislature before com-

mencing his congressional service.

Before entering politics, Derwinski was the President of the West Pullman Savings and Loan Association in Chicago. He is a graduate of Loyola University (Chicago) with a degree in history and has been active in civic, fraternal, and veteran activities in his home area.

In 1968, Derwinski's margin of victory was 80,000 votes.

Can Aid Fund

SOUTHWEST -- Residents at the Lincoln and Dixon schools can be aided through the WIND Radio Fund, in cooperation with the fraternal order of police. Toys, games, hobbies and crafts to aid the mentally retarded are being sought.

The local drop-off point is the Clubhouse of the Beaconsridge, 220 Beacon Ridge Dr., Lemont.

Last Day To Enter

LEMONT -- Lemont Township residents are reminded that today, Dec. 10, is the last day to enter the Lemont Chamber of Commerce Christmas Home Decorations contest. First prize is \$75, second, \$50 and third, \$25. Judging will be done Dec. 20 through 23. Notify Rich Hancasky, 1150 State St., Lemont, giving name, address and phone number.

List Zoning Actions

LOCKPORT -- Grant F. Lawrence, zoning officer for the city of Lockport, has released the following list of building and use permits issued in November of 1969.

Harry Landon, 408 E. 10th St., frame detached garage, \$2,000; Joseph Wierschem, 306 E. 2nd St., interior remodeling, \$4,000; Mrs. G. Kilmer, 516 S. Jefferson St., remodel kitchen, \$1,800; Robert Corniels, 210 E. 18th St., living room addition, \$3,800; Arthur Lacey, 518 S. Washington St., detached garage, \$1,177; Lewis Simmons, 605 Gloria St., three bedroom frame ranch style residence with attached garage, \$21,000; Frank Milne, 1103 Valley Lane, three bedroom

frame ranch style residence with attached garage, \$37,000; James Valentino, 1909 S. Hamilton, remodeling, \$1,500; Frank Burla and Sons, 1004 Read St., four bedroom frame and brick veneer, two-story residence with attached garage, \$34,000; Frank Burla and Sons, 1006 Read St., four bedroom frame and brick veneer split-level residence with attached garage, \$32,000; Elmer Braden, 420 E. 10th St., interior remodeling, \$3,000; Thomas Russell, 1010 Putnam Dr., detached garage, \$2,000; and Model Finance Company, 901 S. State St., illuminated sign, \$1,000.

Lawrence's summary for

building in November lists four new residences at \$124,000; three new residential garages at \$5,177; five residential alterations at \$14,100; and one commercial alteration at \$1,000.

The total of the 13 permits issued in November is \$144,277. The total of permits issued in all of 1969 is \$1,299,506.

For information regarding Building Permits or the Building Code; or Zoning or the Zoning Ordinances, contact the Zoning Office, 907 Adams St., or telephone 838-2200. Regular zoning office hours are 6 to 7 p.m. weekdays and Saturday by appointment only.

How To Pick Fresh Tree

SOUTHWEST -- A family Christmas should be merry and safe.

Twinkling lights, stockings hung by the fireplace with care and a beautiful tree all help to make your Yuletide gay. Make it safe by investing in good quality lights and fireproof ornaments. Insure that your tree is fireproof -- as well as lovely -- by buying a fresh tree and caring for it properly. It will remain beautiful and fresh all through the holiday season.

Experts offer these tips for buying and caring for the prettiest Christmas tree you'll ever have:

1. Select your tree from a lot where all the trees look fresh. They all come from the same place so all will be either fresh or dry.
2. Look for a lot where the trees are on stands so you (or others) can't bruise them by handling.
3. Walk around the trees on stands for a good view of all sides.
4. Sniff the needles to be sure that the tree gives off the inviting aroma of pine.
5. Check the color of the trees. A gray color indicates that a tree is not fresh.
6. Gently stroke the needles. Needles won't drop off if the tree is fresh.
7. After you've selected your tree, bring it home, put it in the yard and hose it down.
8. Bring it inside and place it in the stand which you've filled with water as hot as it comes from the tap.
9. Keep the tree away from the fireplace or sunny windows. Sunlight is damaging.
10. Turn the heat down or open windows to be sure the room is cool and as moist as possible. A humidifier works well to keep the tree fresh and green.

State Ok's 45-15 Plan

ROMEOVILLE -- District 96 has received official approval of the continuous school year plan. A letter from the Office of Public Instruction from Ray Page was read at a recent board meeting. June 30, 1970 is the target date.

Telephone lines to carry TV programs will be installed by Illinois Bell Telephone Co. if certain requirements are met. J. H. Enerbech, engineer, and W.R. Anderson, division sales manager, discussed the matter with board members. Closed circuit TV has been

used in district schools for several years. Five of the schools are equipped to receive and distribute programs from the air.

James Gove, administrative assistant, outlined several plans providing programs, which could be pre-recorded and used when they are needed.

A grievance claim filed by teacher Mrs. V. Hartzheim was discussed in executive session.

The board members discussed what can be done to assist in the high school referendum set for Dec. 16.

Woman Is Dead

FRANKFORT -- One woman is dead, another, her passenger, is seriously injured as the result of a collision on U.S. 45 at 1 a.m. Sunday, about six miles south of Frankfort.

Dead is Florence R. Dubie, 58, of 1639 N. 40th Ave., Stone Park, Ill. Her

companion, Mary Tryer, 21, of the same address, is in Silver Cross Hospital with a broken leg and head injuries. The car went across the pavement and struck a pickup truck head-on. It was driven by Dwayne Quick, 27, Rt. 1, Bourbonnais.

ELEVEN STAR GIRLS will attend Karen Sodergren, this year's Lucia Queen of Light. They are, from left, back row; Kristyn Sodergren, Dana Swindells, Jill Kolmodin, Tina Johnson, Beth Jagers, Jody Kolmodin and Susan Slansky. Front row, from left; Mary Jane Oestry, Cathy Sly, Lore Zeitler, and Dana Toon.

Miss Karen Sodergren Is Lucia Queen

LOCKPORT -- The annual Lucia Festival, a traditional Swedish celebration which opens the Yuletide season, will be held Sunday, Dec. 14 at 4 p.m. at the Covenant Community Church.

The Lucia Legend originated in Sicily about 300 years ago. Lucia was to be the bride of a nobleman, but

before the wedding, she gave her dowry to the poor people of the village. Her intended husband suspected she was a Christian and reported her to the Romans who burned her at the stake. Later she was made a saint and is considered a symbol of light, faith and Christian charity.

Lucia has been celebrated in Sweden for many years as a Festival of Light, coming

in the dark winter months when Lucia heralds the approaching Christmas season with candlelight and traditional songs. In Swedish homes, the eldest daughter rises early and dresses in a white robe with a bright red sash and a crown of lighted candles and serves coffee, special buns and cookies to her family.

Karen Sodergren, daughter

of Mr. and Mrs. Vernon Sodergren, of 815 E. 11th St., will be this year's Lucia Queen of Light. She is attended by eleven Star Girls; Beth Jagers, Tina Johnson, Jill Kolmodin, Jody Kolmodin, Mary Jane Oestry, Susan Slansky, Cathy Sly, Kristyn Sodergren, Dana Swindells, Dana Toon, and Lore Zeitler.

This year's program will

consist of organ music by Lew Davies, the invocation and scripture by the Rev. Ralph Dirksen, and musical selections by Kathy Drummond and Marilyn Fogel of the Winnetka Covenant Church. Mrs. William Goodale will present a reading entitled, "Why the Chimes Rang."

Edward Richards will sing the traditional "Sankta Lucia." The program concludes

with the entrance of the Lucia Queen and her court. Together they sing a Swedish hymn and the Queen then invites the guests to the lower auditorium for refreshments.

Mrs. Norman Kolmodin and Mrs. Don Lawler are co-chairmen of the Fellowship

Circle of the church which sponsors the Festival.

Cadette Scouts Begin Year's Meetings

ARBURY HILLS -- Cadette Troop 336 began the year with five second-year girls and one three-year girl attending the meetings.

The girls are working on the Challenge of Active Citizenship badge, the third step toward being a first class scout. Some of the badges that have to be earned for that honor are in the fields

of art, home, citizenship, out-of-doors, health and safety, and international friendship. The challenges are social dependability, emergency preparedness, active citizenship and the Girl Scout promise.

Each girl completes preparatory work in order to continue and accept her challenge. The challenge could be

anything pertaining to the particular challenge.

First outside event held by the troop was a trip to the Conquistador Riding Stables in Orland Park. After the afternoon entertainment, the troop voted to continue and work on the

horsemanship badge. Accompanying the Troop was the sister troop, Junior 103.

In order to obtain the badge the girls must learn the cost and care of horses, the different breeds, their diseases and ailments, safety precautions, etiquette, how a blacksmith shoes a horse and why, and how to saddle and ride a horse. After these items have been completed, the girls will then go on a trail-ride, an all day cross-country ride, or a supper ride.

The second badge the troop is working on is interior decoration. Each girl must sketch her "dream" house, and then decorate a room at the home of the co-leader, Mrs. A.J. Yoder. This will include painting, wall treatments, window treatments, furniture, draperies, slipcovers, and floral arrangements. Bernard Diercouff, a graduate floral designer, will help the girls with flower arrangements.

Another badge presently being worked on is the dressmaker badge, being conducted under the supervision of Mrs. Diercouff, troop co-leader. A quilt was made for the departing leader, Mrs. B.H. Markowski.

A bon voyage dinner was held Oct. 18 at the Redwood Inn for Mrs. Markowski, and her daughters, Janet and Jaci. Mrs. Markowski had been the cadette leader for the past eight years in the Arbury Hills area. A surprise

party was also held at Mrs. Diercouff's home. The handmade quilt of green and white was given to Mrs. Markowski at this time; and her daughters each received a gift, Jaci a cadette bracelet, and Janet a pair of trefoil earrings.

Service projects, making wash cloth slippers, wash cloth and soap animals, and decorated cards, are being made for the elderly at Salem Home, Joliet. Date of delivery has been set for Dec. 20.

Any girl between the ages of 12 and 14, or in seventh, eighth or ninth grade, is invited to join the troop. This will include all girls residing in Arbury Hills, or in an area that does not have a cadette troop. Meetings are held, at present, from 7 to 9 p.m. at the home of Mrs. Diercouff, 9304 Magnolia, on Monday evenings. Membership is open on a first come-first serve basis.

Bus Fare Hike Requested

By LOUISE SCHALLER

ROMEOTVILLE -- West Suburban bus lines notified Romeotville officials that an application for a ten percent increase in fares has been requested. Notice is given to permit any objectors to register a protest.

Highway department officials will hold a public meeting on the proposed highway to be constructed in the Romeotville area. The meeting is tomorrow Dec. 11, at 7:30 p.m. in Plainfield High School.

Permission for a bake sale to be held in the Civic Center from noon until 6:30 p.m. was granted. Jaycees will hold the sale Dec. 20.

State Police notified the larger police departments in the area that acquisition of their own teletype machines would greatly help all concerned. An ever increasing volume of work is the reason for the request, this would give faster service in police matters.

The Hampton Park Lions were given permission to decorate the evergreens in front of the Civic Center for the Christmas Season.

Recreation board directors requested that funds allocated to them be made

available to them at this time. A detailed report of expenditures and progress is to be requested by trustees of all committees receiving village funds.

Robert Jordan, a member of the police department submitted his letter of resignation. A vote of thanks for valuable service was carried

and a letter of appreciation will be sent to the former officer.

In executive session trustees conferred with a resident who had submitted a request to be heard at the Wednesday evening meeting. Announcement came from the residents that they are

willing to work for an amiable solution.

Julius Dorich, superintendent of Public Works, asked in a letter to be removed from his probationary status. His request was granted, the salary was set at \$12,500 according to ordinance 191.

RESIDENTS OF THE Holy Family Villa, Lemont, home for the aged, were recently entertained by members of the Chicago Lithuanian Women's Club. Residents of the Villa were presented

with gifts and entertained during the afternoon. President of the women's club is Mrs. Gene Krajicek. Chairman of the part was Mrs. Aldona Brazis. (GRAPHIC Photo)

Man's Downfall

Ad writers extolling the virtues of various housekeeping aids are still making their pitch to the women but it will not be for long. As today's worn out phrase has it, pretty soon now they will tell it like it is, and direct their copy at the men.

Instead of housewives there will be househusbands.

You think not, eh? Well, there are plenty of signs, all pointing to the male as the housekeeper of the future. And we don't just refer to the fact that young males are looking more like girls than they do boys. And at the same time more and more women are appearing on the street wearing men's shirts, men's coats — and judging from the bagginess and wrinkles — men's pants. So far men have not appeared in public wearing rollers in their hair. When that happens it will indeed be difficult to differentiate between the sexes without a scorecard.

The similarities in appearance and dress can be read as signs of things to come but to us there is a deeper reason why man may take over woman's sphere — the multitude of labor saving devices.

Now those devices haven't come because men wanted to make life easier for women. They have materialized because men wanted to make life easier for themselves.

Women, relegated to an inferior status over the centuries by men who were physically stronger, recognized that they couldn't clobber men into submission and put the old brain to work. They discovered they could out-think, out-smart their male opponents.

Little by little, with skillful maneuvering and manipulation they have succeeded in getting sons, husbands, even brothers, into giving them a hand with household chores.

That is when things began to change. Men are inherently lazy and if they don't have some tool or machine on hand to make work easier, they invent one.

Women would still be using a washboard and tub or beating laundry clean by pounding it with a paddle on a rock along a river or creek if some nameless member of her sex had not inveigled a man to help her with the washing.

Until the electric knife came along it was less work for a woman to carve turkey or a roast in the kitchen than to get her spouse to do it.

Power lawnmowers, and power snow pushers or throwers have made outside maintenance easier for both men and women and the electric golf cart has been a boon to hardworking males seeking a bit of exercise and relaxation. Sure, they get exercise — don't they have to climb in and out of the contraptions, and turn a

switch, as well as swing a club at the ball?

Last week we saw an ad that indicates it won't be long now before man will take over the job of vacuuming the rugs or the wall-to-wall. One of the manufacturers of vacuum cleaners has come out with one that is self propelled. No pushing, no pulling, no work, is the claim of the propagandists from Madison Avenue.

All the little woman has to do now is get such a machine and then tell her son, or husband that while it works well it really needs a skillful driver. That is all.

District 205 Superintendent

On any issue that concerns many people and facts, there are bound to be many questions. Several have been asked more often than others. The question of "splitting the district" has had much discussion the last five years and continues.

The starting point is the goal we have set for education — "Meeting all the current needs of all our youngsters more efficiently." Can we do that job better with two small districts rather than one? I don't think so — because size produces the opportunity for comprehensive educational programs and certain financial efficiencies. The National Academy of Education, after examining the effect of the size of a district, states that no school district should contain fewer than 5,000 students nor more than 150,000.

In Illinois, the size of districts has re-

ceived much action during the 1968-69 school year. There were 169 consolidations of one or more districts. Of this total, 103 involved high schools with other high schools or elementary districts. There were no school districts split into smaller segments.

As the size of our schools and district grows, we are able to offer a greater selection with advanced levels of work. A larger district is able to devote more specific time and personnel to develop and supervise its present and expanding programs, and better able to meet the needs of all our youngsters. We can do this more efficiently, and we are in a position to participate more readily in programs that provide financial reimbursement from state and federal sources. As the district grows, the staff is increased with department chairmen, instructional specialists, a business manager and so on at various levels of

the school operation and within the educative process. With a specialized staff, the results are reflected in the quality and quantity of programs and the financial efficiency.

The reason and desire for an adequately sized district is the advantage of a large taxing area base from which to provide education for the youngsters. In a large district, pocket-area housing developments do not completely hinder or upset the school system, and who can say where the next area will be that will attract new neighbors in a district? The same is also true of the new location of industry and other offsetting tax assets that take the burden off individual homeowners. Industry is necessary to complete any community in many ways.

In our district, at the present time, 60 per cent of our assessed valuation for

LETTERS TO THE EDITOR

Grateful

Editor:

On behalf of all the parents of boys in Lemont who participated in the Pop Warner football, I wish to express our gratitude.

First, gratitude to all the coaches who gave so freely, secondly to the Lemont High School which donated facilities for all our home games and last but not least to the Jaycees who organized and financed this football program.

The latter was also sponsor of the banquet honoring the team and gave trophies to each player.

Happy boys mean happy parents. Thank you.

Fence Me In?

Editor:

Ordinance No. 476, Village of Frankfort, section sixteen, general provisions concerning yards, D-2 reads as follows: in residential zones, a fence, wall or hedge, not more than five (5) feet in height may be constructed or grown along interior lot-lines to the front building set-back line, then

shall have a maximum height of thirty (30) inches from the front building line to the front property line.

We had hedges 7 feet high growing in the middle of our yard. No one complained about this hedge being too high. We decided to get rid of these hedges due to the lovely mosquitoes that used them for a hangout. We replaced these with a wooden structure which the building inspector calls a fence. I don't know what to call it. The definition of a fence in our Readers Digest Great Encyclopedic Dictionary - 1967 edition is: "A structure of rails, stakes, strong wire, etc. erected as an enclosure, barrier or boundary, as along the limits of a yard or field." Our so called fence doesn't enclose anything. It is not a barrier as it has a gate. It is not on any boundary line.

Last July we received a ticket to appear in court on August 21, 1969. Our attorney appeared for us, but our case was never called. The clerk did not have our file, no ticket was given to the court. Now after several months, we have again received a notice to appear in court in December. It seems that after 12 years of neglecting to enforce this ordinance, suddenly someone wants to create a little excitement in Frankfort. But I was wondering if the residents

of Frankfort are going to be willing to cut down their fences, especially the lilac trees, hedges, etc. on their boundary lines. There are many hedges, etc. one can see just driving along the streets of Frankfort. Corner of White St. and Nebraska St., corner of Sauk Trail and Center Rd., and I could go on and really fill up this page. Why an ordinance was ever passed like this, I'll never know. But there are very few fences in Frankfort and if fences were over 5 feet before, I don't think it should have been changed for lack of nothing better to think about.

I believe too that about a year ago, I read in a paper that no corn can be grown within the limits of Frankfort. Yet I saw beautiful corn growing all spring and summer right on Nebraska St. and also on White St.

Oh yes, I was just wondering if any one else has noticed the short fences in town, say around 3 feet in height, but directly behind them are lilac trees about 20 feet high.

That's all for now.

Yours truly,
Mrs. Marie Guth

Teens Named Outstanding

LOCKPORT -- Willard H. Pryn, principal of Lockport Central High School, has announced that seniors Gayla Fris, Jerry Harlan, and Pamela McCann have been selected as Outstanding Teenagers for the year 1970.

These students will now compete for state and national awards. They were selected for this honor on the basis of ability and achievement. They will compete with other winners in Illinois for the Governor's Trophy which is awarded annually to the most outstanding teenager of each state. Each of the 50 state winners will then be eligible for one of the two National Outstanding Teenager of America Awards and Scholarships made available through the Outstanding Americans Foundation.

Gayla, Jerry, and Pamela have been very active at all levels during high school. These three students have recently been selected as Illinois State Scholars from the Class of 1970.

Gayla Fris is the daughter of Mr. and Mrs. A. J. Fris, 829 Read Street, Lockport. She has been active in the Speech Activities Club, Yearbook Staff, National Honor Society, Pep Club, Student Council, Newspaper Staff, GAA; and has also been a Porter Cheerleader for three years. Gayla is tentatively planning to attend the University of Houston and major in science.

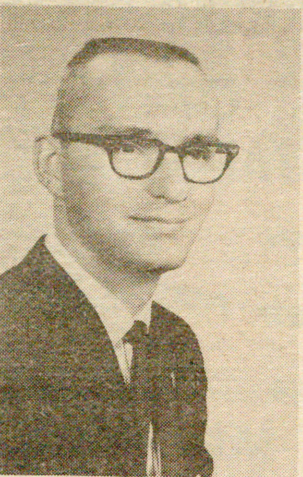

Jerry Harlan, son of Mr. and Mrs. Jerry Harlan, King Road, Lockport, has participated in the National Honor Society, Projectionist Club, Chess Club, and Science Club. He has also participated

on the swimming and tennis teams besides other outside activities in the community including serving as Boy Scout Summer Camp director. Jerry plans to attend the University of Illinois and major in engineering.

Pamela McCann is the daughter of Mr. and Mrs. Donald McCann, Second Street, Lockport. Pam has been active in the Foreign Language Club, Future Teachers Association, Student Librarian Club, Pep Club, Student Council, Newspaper Staff, GAA, and has participated in girls swimming competition. She is

CHRIS STANISZ, of 10808 W. First St., Mokena, was among the 124 young women to be graduated from the College of St. Francis. Miss Stanisz, an English major, received a BA degree. The degrees were conferred at the Cathedral of St. Raymond at Joliet by Bishop Romeo Blanchette, D.D.

KENNETH ZIMMERMAN son of Mr. and Mrs. Eugene Zimmerman, LaPorte Rd., Mokena, received his master's degree in industry and technology June 7 at Northern Illinois University, DeKalb. He is a graduate of St. Mary Grade School, Lincoln-Way High School, attended Joliet Junior College and received his baccalaureate degree at Northern Illinois. He now resides at Wheaton, with his wife, Jacky Anne, and is an instructor in technical drafting at Benet Academy, Lisle.

WHAT STUDENTS ARE DOING

Name Forensic Winners

LOCKPORT -- The third Lockport Central-East Speech Tournament was held at Central on Friday, Nov. 14. There were ninety entries in the ten categories of individual speaking.

The Travelling Trophy was presented to the senior class for accumulating the highest number of points by Allen McCowan, principal at East. Bruce Lain, president of the Forensic Club, accepted the trophy in behalf of the seniors. The Best Senior Speaker Trophy was won by Julie Moulthrop; Dennis Dinwiddie won the Junior Best Trophy; the sophomore Best Speaker Trophy was awarded to Ivella Kerwin; Vanessa Washington won the Best Speaker Trophy for the freshman class.

Ribbons were awarded to the first five place winners in each of the ten categories. For prose: Julie Moulthrop, first; Ivella Kerwin, second; Nancy Gillogly, third; Gayle Pesavento, fourth; and Naur- een Larson, fifth.

Serious Reading: Shirley Aspel, first; Cheryl Angus, second; Nancy Gillogly, third; Sally Del Sasso, fourth; and Debbie Skuta, fifth. Oration: Dennis Dinwiddie, first; Gayle Pesavento, second; Brian Mitchell, third; Marilyn Siebert, fourth; and Will Merrill, fifth.

Aaron Carey won first in extempore speaking; John White, second; Dennis Dinwiddie, third; Matthew Garman, fourth; and Richard

Talbert, fifth. In oratorical declamation Cheryl Angus was first; Gayle Pesavento, second; Julie Moulthrop, third; Vanessa Washington, fourth; and Carole Ahern, fifth.

Julie Moulthrop received a first in non-original monologue; Marsha Frantz, second; Pam McGeough, third; Nina Lesnik, fourth; and Cheryl Tasharski, fifth. Poetry: Carolyn Straka, first; Cheryl Tasharski, second; Brian Mitchell, third; Shirley Aspel, fourth; and Marilyn Siebert, fifth. In the radio division, Ronald Keys took first; Jim Swanson, second; Dave Norbut, third; Will Merrill, fourth;

and Kris Karstens, fifth.

In comedy, Ivella Kerwin placed first; Kathy Baxa, second; Mary Ward, third; Ellen Anderson, fourth; and Joan Pastere, fifth. Original monologue: Susan Bradley, first; Nina Lesnik, second; Steve Lawrence, third; Bonnie Bembeneck, fourth; and Bruce Lain, fifth.

The judges were Eleanor Urban, Helen Rothlisberger, Mrs. Nancy Gillogly, Mrs. Phyllis Meyer, Dennis Porick, Mr. Shull, Mr. Gillain, and Phillip Polley.

The contest managers and speech coaches were Mrs. Lillian Missius from Central and Mrs. Mary Kerwin from East.

Two Students To Washington

LOCKPORT -- Kathleen Tendall, West, and Jerry Harlan, from Lockport Central, will join over 350 other high school seniors from across the country to participate in the first session of a Presidential Classroom for Young Americans.

Presidential Classroom, which held its first programs last year, is designed to give bright high school seniors the opportunity to see first-hand, the operation of their government. The Program this year consists of five one-week sessions, the first of which will begin February 14.

The students were selected on a competitive basis by a faculty committee to represent the Lockport Township High Schools and the 14th Congressional District.

Their trip will be sponsored by local service organizations. Kathleen is the daughter of Mr. and Mrs. Laurence Tendall, and Jerry is the son of Mr. and Mrs. Jerry

Harlan Sr., both are honor students at their respective high schools.

Bromberek School Is At Confab

LEMONT -- Ten faculty and staff members from Bromberek School joined more than 6,000 other administrators from Illinois recently for the joint annual conference of the Illinois Association of School Boards and Illinois Association of School Administrators. The theme of the three-day conference was "Education in Orbit."

Representing the local school were Edward Vician, superintendent; Gerald Morgan, Wilbert Sterk, Joseph Haverstahl, Barry Moss, Steve Bloomberg, Mrs. Margaret Lindholm, Al Galioto, Robert Reichl and Mrs. Alice Oikle.

legal obligation.

Second, the board was determined to reduce the yearly cost of transporting students to school by locating a new school within walking distance of where most students live. The price of the land reflects the desirability of the location. Early last summer, land sold at \$5,000 per acre and by fall, the minimum price anywhere was \$5,500 per acre. One 40-acre parcel offered to the board was \$5,700 per acre. However, the board was able to secure a more desirably located parcel, larger, and on higher ground for \$5,300 per acre. The board is exceptionally pleased with both the location and the price. If there is any question about the price, I would like to say that almost all of the land has already been sold and my guess is that the remainder will sell for more than \$5,500 per acre. In ten years, the acquisition of the new school site will be looked upon as one of the great accomplishments, even without the fact that well over \$100,000 in transportation costs alone will have been saved.

Again, I would like to thank the Southwest Graphic for the opportunity to present some facts to its readers. We have attempted to do this via several avenues in this referendum so that as many people as possible are aware of the issues. If voters will only become interested, learn the facts, and vote on December 16, the referendum for the continuing education of youngsters will be successful.

Present Annual Yule Concert

NEW LENOX -- The annual Christmas concert presented by Lincoln-Way Community High School music department will be held at 3 p.m., Dec. 14 in the school auditorium.

Both the concert band and the A Cappella Choir will perform.

The choir will open the concert, accompanied by the brass ensemble, with the traditional Christmas carol, "Joy to the World". The band will then play "Sleigh Ride" by Leroy Anderson, and "Twas the Night Before Christmas" by Newell Long. The choir will also perform, "And He Shall Purify" by

Handel, "I Wonder as I Wander" by Niles, and "Carol of the Bells" by Leontovich. The band and choir will then combine for Pergolesi's "Glory to God in the Highest."

The final portion of the concert will be "The Christmas Story" by Franz Gruber. Randolph Kummer will provide the narration.

Robert Taylor directs the concert band, and Charles Stark directs the A Cappella. Kummer will direct a brass ensemble and the concert band in the combined selection, "Glory to God in the Highest."

The concert is open to the public at no charge.

Artists Awarded

LOCKPORT -- Art students at Lockport Central High School have been active in the past few weeks exhibiting their work and entering local, area and state wide contests. Six students received awards at the Sixth Annual Festival of Religion and the Arts at the Richards Street United Methodist Church in Joliet.

Receiving a blue ribbon was Star Harff for her painting "Wear Your Love Like Heaven." Kathy Carlson won a red ribbon for her painting "In the Grass." Receiving Honorable Mention were James Allen, Al Edwards, Mike Husler, and Karen

Van Buren.

During the month of October posters by Kathy Carlson, Star Harff, and Roseanne Petrungaro were on exhibit in the Chicago Tribune Art Gallery. All three received Special Recognition in the state division of the National Employ the Handicapped Poster Contest sponsored by the Illinois Employment Service and the Disabled American Veterans.

Paintings by Kathy Carlson - "The Depth of Music" and Bill Kostelec - "Ghosts Live Here" were on display at the Illini Union at the University of Illinois recently.

School Opening

ROMEONVILLE -- Ridge View School will have an open house, tomorrow, Dec. 11, from 7 - 9 p.m. Ridge View is in Hampton Park on Eaton Avenue (three blocks south of Resurrection Cemetery). Mrs. Lillie Eneix is the building principal.

Ridge View School is a "twin" of Brook View School in Bolingbrook. Both buildings have 16 classrooms and have the same floor plan.

Present enrollment at Ridge View is 245 boys, 212 girls and a total student body of 457.

All of the Ridge View teachers will be in their

rooms during the Open House but will not be available for parent conferences at this time. Classrooms will show textbooks and materials and examples of work by pupils. The hallways will be decorated for the Christmas season.

Construction work on the building is finished except for installation of some equipment in the kitchen. The cafeteria is scheduled for use soon after the return from Christmas vacation.

It is estimated that golfers spend more than \$120-million a year for equipment.

taxing purposes is on the west side of the district. This may surprise many people, as it did me, when I first learned it. With regard to students, I know that 60 per cent of our current high school enrollment attends Lockport West and I think it is important to note that 60 per cent of the 12,600 elementary students, grades 1-8, live on the west side.

It is apparent to me that our district of 4,000 students is on the verge of distinct educational and financial advantage. The size of our district also provides protection to the education process for youngsters from the unknown future residential and industrial developments within the whole district.

Another question that seems important is the land purchase in Bolingbrook. There are several elements in which people have expressed an interest. First, let me say that the high school board was never offered any free land, anywhere. Housing developers are businessmen and do not give away profits nor cause the price of their house sales to go up without very good reason. Developers sometimes donate land in small parcels for neighborhood development elementary schools, but that is the usual extent of their moral obligation. There is no

Officer Nurse Career Plan Is Available

WILL COUNTY -- There is a new educational program for girls between the ages of 18 and 27 being offered by the Air Force, according to local recruiter TSgt. Joe Green.

Sgt. Green, recruiter for the Will County area, said the program is called the "Nurse Education and Commissioning Program."

Requirements for eligibility include 30 semester hours or 45 quarter hours of transferrable credits with a C grade or higher. Six semester hours in bio-science is desired but not mandatory. Entries into colleges in this program are scheduled for February, June and September. Several openings are still available for fiscal year 1970.

It is a four-year degree program in Nursing Science.

An applicant selected will complete her final two years of degree work at a certified College or University and on graduation will be commissioned 2nd Lieutenant in the U.S. Air Force Nurse Corps.

For further information contact Sgt. Green who will be at the Crete Municipal Building every Tuesday from 9 to 12 a.m., Peotone Village Hall from 1 to 4 p.m. or at the Joliet Post Office Building Monday through Friday, phone number is 723-0311.

LOCKPORT -- Ava Ordman, daughter of Mr. and Mrs. Ralph Ordman, of 138th Street and State Road, was among the students featured in the Fall Concert of the Youth Symphony Orchestra of Greater Chicago.

LEMONT -- Miss Joan Marie Zolecki recited nuptial vows Aug. 16 to become the bride of Joseph S. Witt in a double ring ceremony.

The Rev. Joseph Cagran, O.F.M., officiated at the afternoon mass at St. Cyril and Methodius Church.

The bride is the daughter of Mr. and Mrs. Leonard F. Zolecki, 437 Julia St., Lemont. The groom is the son of Mr. and Mrs. Sylvester Witt, 712 Emil St., Lemont.

Palms and vases of yellow glads and green majestic daisies adorned the altar.

Mathew Stepan, the vocalist, was accompanied by Walter Vistalis at the organ.

Given in marriage by her father, the bride wore a slipper-length gown of white silk organza over a background of peau de soie. Her train-length veil of imported silk illusion was secured to a caplet of lace petals and leaves encrusted with pearls and crystals. She wore diamond earrings, a gift from the groom.

Miss Patricia Jagodzinski, maid of honor, wore a floor-length gown of maize color sata peau. The bridesmaids, whose Nile green dresses were fashioned identically to those of the maid of honor, were Miss Nancy Witt, Miss Barbara Zolecki, Miss Rhonda Epler and Mrs. John Schomig. Miss Karen Scott, the flower girl, was dressed identically to the bridesmaids.

Richard Witt, brother of the groom, was best man, with Larry Zolecki, Michael Bracken and Michael Slack as groomsmen. Brian Ludwig, cousin of the bride, was the ring bearer.

The bride's mother wore

a two-piece ensemble of cerise color shantastic with harmonizing accessories. The groom's mother wore orchid color chiffon.

The reception was held at the Palos Country Club. Mrs. Michael Bracken had charge of the guest book.

The newlyweds honeymooned at Las Vegas and now reside at 804 Hickory St., Lemont.

Double Ring Rite Unites Mulder, Miss ZumMallen

FRANKFORT -- An arrangement of assorted white flowers and candles decorated the altar of St. John's United Church of Christ in Country Club Hills, for the August double ring rites of Miss Susan Jean ZumMallen and John A. Mulder.

Rev. Henry Meyer officiated at the ceremony. The bride is the daughter of Mr. and Mrs. Albert L. ZumMallen of Lincoln Estates, Frankfort. The groom is the son of Mr. and Mrs. Richard Mulder of Worth.

William Kleinschmidt of Hammond, served as organist. Bill Miller, soloist, sang "The Wedding Prayer" and "The Lord's Prayer."

The bride, escorted to the altar by her father, wore a floor length A-line satin gown with detachable train, and applications of alencon lace. She wore a single strand of pearls and carried a lace-edged bouquet of white cymbidium orchids and baby's breath.

Mrs. Daniel J. Grant, sister of the bride, served as matron of honor. Miss Betty Howell of Frankfort, served as bridesmaid. Both wore floor length yellow linen gowns with matching headpieces of bows with a two-layer floor length veil. Each carried an old-fashioned lace edged bouquet of yellow and white daisies and baby's breath.

Mr. and Mrs. John A. Mulder

Richard Shinn served as best man, and Richard Mulder was the groomsmen.

For her daughter's wedding, Mrs. ZumMallen chose a green pin wheel lace dress and coat ensemble, with matching hat and accessories. Mrs. Mulder chose a coat and dress ensemble in blue lace. Both wore corsages of white roses.

Honored guests were grandparents, Fred ZumMallen of Homewood, and

Mrs. Luella Tyler of Frankfort.

Following the ceremony a buffet dinner was served for 150 guests at the banquet hall at the Rest Haven Convalescent Home in Palos.

A week honeymoon trip to Grand Rapids, Minn. was taken. The couple are presently residing in Worth. The bride is employed by Suburban Flying Service in Crestwood, and the groom is a full-time student at Lewis College in Lockport.

Local Girl In Concert

The concert was held in Chicago's Orchestra Hall. The Orchestra is composed of 104 students from high schools in the greater Chicago area. Miss Ordman is a trombonist.

A FORUM ABOUT MATURE WOMEN

Widow's Children

Dear Miss Brookfield:

I am a widow doing my best (I hope) to provide a stable home for my teenage daughter and 10-year-old son. I am employed full-time and hate to come home to constant bickering between the children. I am an easy-going person and the children take advantage of me. I joined Parents Without Partners, but it is difficult for me to break into a group. I was widowed almost five years ago. I am tired of a routine

that consists of just eating, sleeping and working. I am 45, bored with women friends, and yet all the men I meet disgust me. Can you offer any advice? I would return to school, but can't be away from the children both day and night. We are all having a difficult time adjusting.

L.E., Chicago, Ill.

Dear L.E.:

There are no easy solutions for a widow trying to care for children, earn a living and cope with the problem of being alone. You cannot be both a mother and

father to the children -- just being a good mother is difficult enough under the circumstances. At times you may feel cheated or envious of other women. You may even yearn for a way to escape your burdens. Your wish to attend school nights may be just such an "escape" plan. You may feel guilty about admitting these feelings but they are perfectly normal.

The real problem confronting women in your situation is either letting the children know they are a burden or masking guilt feelings by being over-indulgent. The wise mother avoids both courses. You can't spare the children from a fatherless home but you can make it up to them with love and understanding. Scolding won't hurt them, if you provide the warmth and support they need.

Children react to the death of a parent in different ways. The age of the child at the time of the parent's death is one factor, but not necessarily the only one involved in the child's emotional reactions. The surviving parent's attitudes and decisions have a great deal to do with the child's ultimate adjustment. Subconsciously, many children feel guilty over the death of a parent, viewing it as an abandonment for which they hold themselves responsible.

We would suggest that you contact a family counselor, through religious or school affiliation or community resources.

Party Is Tonight

NEW LENOX -- The Providence High School Mother's Club annual Christmas party is tonight beginning at 7 p.m. in the school cafeteria. Entertaining will be the school's music department under the direction of Sister Mary Canice. Members have been contacted so that they may bring a dish for the dinner.

There will not be a December meeting, and the November meeting did not take place because of the Harvest Festival.

"Strolling Through The Park" has been chosen as the theme of the spring fashion show. It will be furnished by Wolfson's of Joliet and will be Feb. 25.

Hostesses for the evening will be mothers from St. Raymond, Joliet, and St. Alphonsus, St. Patrick, St. Cyril and St. Dominic, all of Lemont.

Chapter Day Is Sunday

LOCKPORT -- The Lockport Chapter 575 Women of the Moose will hold their Star Recorder's Chapter Day on Sunday, Dec. 14 at 2 p.m. in the Moose Home.

Patricia Hartley, Star Recorder chairman, is in charge of the day's program. She requests all officers, escorts and chairmen to wear formal. This will be a closed meeting.

ARNEZ BURGH, who received her flight instruction from Marvin Flowers at the Frankfort airport, has been granted a private pilot license Oct. 26. It was a delayed birthday present, her 17th birthday having fallen on Oct. 18. At the time she was granted her pilot's license, Miss Burgh was a senior at Lincoln-Way High School. Since then she has joined her parents, Mr. and Mrs. Pete Arnez, recently of Frankfort, who now reside at Fort Myers, Fla. Miss Burgh's father is also a licensed pilot.

MISS CAROL L. LARSEN, daughter of Mr. and Mrs. Ralph Larsen of R. R. 2, Lockport, has been selected by her fellow classmates as a candidate for Homecoming Queen at Bethel College, St. Paul, Minnesota.

AHEAD

Exams Set

SOUTHWEST -- Entrance examinations for any eighth grade boy attending public or parochial school, who desires to study for the priesthood and enroll at St. Charles Borromeo Seminary in September of 1970, will be held at 9 a.m., Dec. 13.

The exam will be administered at the seminary, located on Route 53 and Airport Rd., Lockport. The tests will be finished at 2 p.m., and those taking the test will be served lunch.

Anyone wishing further information should contact Father Francis McDonald, 555 North Lombard Rd., Addison, Ill. 60601, phone, 312-543-6189.

A Party, Caroling

ROMEOVILLE -- The Lutheran Church Women of Good Shepherd Lutheran Church, Romeoville, have planned a Christmas party for tomorrow, Dec. 11, at 7:30 p.m. The program will be presented by Pastor and Mrs. Wegeholt, who are accomplished musicians. Games, carols and a white elephant, or purchased, exchange of gifts follows the program.

Members of the church will go caroling on Dec. 20 at 7 p.m., with refreshments served later. All are welcome to join.

Festival Is On

SOUTHWEST -- Two days of the Madonna Festival remain at the Aylesford Renewal Center, Cass Ave. North at Rt. 66, on Dec. 14 and 21.

Following a noonday Mass a tour of the Madonna exhibit will be conducted. According to Rev. Howard Rafferty, O. Carm., festival director, the exhibit will feature paintings, nativity figurines and other special antiques relating to Mary and the Nativity. "Most of the items," explained Fr. Howard, have been loaned to Aylesford by Protestants and Catholics.

Income Taxes

SOUTHWEST -- Farmers and fishermen will be receiving federal income tax form 1040 about now, a month earlier than usual, the Internal Revenue Service has announced. The rest of us will receive forms about Jan. 1.

The early mailing, done for the first time, is an attempt to encourage farmers and fishermen to take advantage of options open to them in filing returns and paying their tax.

Making A Mixer

WILL COUNTY -- Members, affiliates, friends and guests of the Will - Grundy Manufacturer's Association are invited to the annual Holiday Mixer to be held immediately following the directors' board meeting Dec. 15 at Al's Steak House. The association should be contacted at its Joliet offices to make reservations.

243 Kin Invited

LEMONT -- The Lemont American Legion and Auxiliary Unit 243 is having its annual Christmas Party for children and grandchildren of members on Dec. 14 at

2 p.m. at the Legion Dugout.

Santa Claus will be there, stockings will be given out and refreshments will be served. Parents are asked to bring a wrapper gift for their children, not to exceed \$2.

'Story Hour' Party

LOCKPORT -- Santa Claus is coming to the Story Hour Christmas Party Saturday, Dec. 13 at 10 a.m. in the Community Room of the library at both the main library and the Crest Hill branch. The Crest Hill party is scheduled for 1 p.m.

"Santa Claus Show," a 45 minute film, will be shown as well as "Tom Thumb Comes to King Arthur's Court." Children in attendance will receive treats from Santa.

Still Available

SOUTHWEST -- Tickets are still available for the Holy Name Society's annual New Year's Eve dinner dance at Lewis College. Tickets are \$20 per couple and include cocktails, dinner, dancing, and favors. To purchase tickets, call 838-6205 or 838-2968 or contact a member of the Society.

Christmas Bazaar

LOCKPORT -- The St. John Vianney Council of Catholic Women, Lockport, will sponsor a Christmas Bazaar Saturday, Dec. 13, from 11 a.m. until 5 p.m. in the church meeting room.

There will be a wide variety of Christmas decorations as well as home and personal accessories. All friends and neighbors in the area are invited to attend.

Paycall

WILL COUNTY -- Mrs. Clara Hartley Woodard, Will County clerk, has announced that checks for persons who served as judges of election Nov. 18 are available through township supervisors.

For Junior Leaders

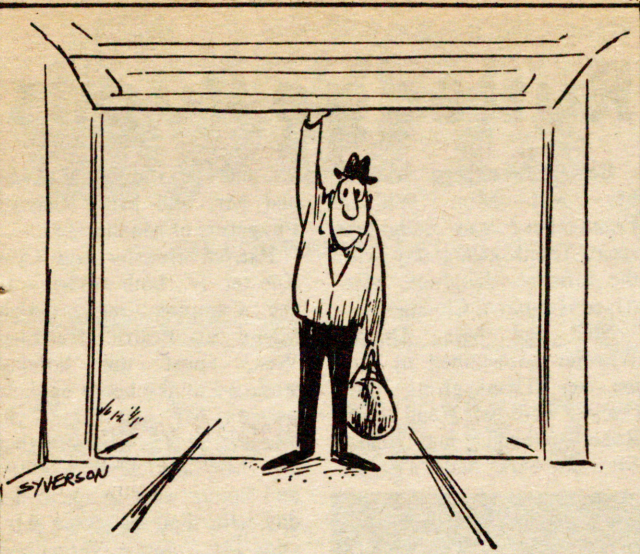

WILL COUNTY -- "Unlock the World -- You Are the Key!" is the theme of the 1969 Will County Junior Leader Workshop to be held Dec. 13 at Francis 4-H Field. The workshop will start at 9:30 a.m. and end at 4:15 p.m. Each junior leader will bring a sack lunch and liquid refreshments will be provided by the 4-H Federation.

No Sunday Mail Service In New Lenox

NEW LENOX -- Window service on Sunday at the New Lenox Post Office will be discontinued this year, according to Lester Brown, postmaster.

Juniors Split 2

LEMONT -- Lemont High's frosh-soph forces split a pair of tilts last week. Lemont edged Beecher High 49-42, but then bowed 54-51 in the conference lid lifter at Marseilles last Friday evening.

The locals had to overcome a 26-19 halftime deficit to gain the nod over Beecher. Coach Bob Voss' forces put it all together in the second half however, and gained their initial win of the 1969-70 campaign.

A hot shooting Roger Weber led the way in the win over Beecher, as he hit for a 21 point output. Al Bromberek and Bob Rohder connected for 10 and 8 counters, while Frank Basco, Bill Benda and John Dunn followed with 5, 2 and 1 markers respectively.

It was touch and go all the way at Marseilles, but the host Panthers managed to stave off every Injun uprising when the chips were down.

A trio of Lemont shooters edged their way into the double figure column. In this listing were Roger Weber

(12), Frank Basco (11) and Al Bromberek (10). John Dunn was a 5 shooter, while Bob Rohder and Bert Cattoni accounted for 4 and 2 points respectively.

LOCKPORT -- Lockport Central, with an assist from Sylvester Smith, displayed their full court press in downing Lockport West 68-58 Friday night.

Smith, the Porters sparkling senior forward, hit eight out of 12 from the floor, three out of four from the foul line and gathered in 17 rebounds while confusing the foes' defense. Clarence Bates contributed 22 points for the winning five including six out of seven from the foul line.

Coach Bob Basarich saw his team go to a 22-point lead in the fourth quarter

only to see the lead shrink to ten points as his charges faltered late in the game.

Ralph Papesch of Lockport West dumped in 12 points in the final period in leading the Spartans with a total of 18' points. Central's Gil Fash was an effective deterrent to Papesch's early game efforts forcing the Spartan forward to the outside.

West's new coach, Bill Parmentier, has a squad of hustlers and with a little polish they should prove to be a better than average team.

On Saturday the Porters eked out a 65-64 win over

an aroused Carl Sandburg team who zoomed to a 24-13 lead in the first period. At halftime Lockport Central led 36-32 and held on for their fourth straight win without a loss this season.

Clarence Bates was the big gun for Bab Basarich's team, clearing the hoop for 23 points. Sylvester Smith and Brad Travis each had 16 points for Central.

Central's press was countered by the Eagles' quick passing game and accurate shooting, hitting 26 out of 55 from the floor. Central also hit 26 from the floor, but took 72 shots in equal-

ing their foes' field goal total.

Just as in their game the night before, Central cooled off in the final period and hit on only three out of 18 shots from the floor. Sandburg took the lead 64-63 with only nine seconds remaining and it took two freethrows by Bates to give Central the win.

The Porters play at Argo this Friday night in an Illini-Eight game.

Lemont Tally Even At 6

By RUSS SANDBERG

LEMONT -- Lemont High continues to ride high at a .500 level after 6 games of the 1969-70 varsity basketball campaign have been completed. The Indians had a rough 69-47 go in a home engagement against Beecher, but then rebounded to down Marseilles 78-51 last Friday evening.

The win at Marseilles perhaps had more significance, for this was the locals initial bow into North-east Conference competition.

A blistering first period onslaught set the pattern, as the Injuns poured in 22 points to take an early commanding 22-13 lead over the Panthers.

Seniors Pierce Spencer, Dennis Bubinas and Mike Heinz, plus junior Steve Pociask, paced this initial Indian uprising.

Coach John Jones' crew continued to bombard the hoop with regularity during the second period, and eventually built up to a huge 41-25 bridge at halftime.

The Jones boys had upped the ante to 60-37 at the 3 quarter mark, which proved to be an insurmountable mark for the Panthers to overcome.

A total of 11 Injuns broke into the scoring column on this evening, with Pierce Spencer and Dennis Bubinas leading the way at 16 and 15 points levels. Mike Heinz chipped in with 10 markers,

while Dick Pierce and Steve Pociask were a pair of 8 shooters.

Also adding to the offensive total were Don Nelson (4), Dave Staudt (4), John Schwer (4), Mike Hennebry (5), Mark Forzley (2) and Greg McCoy (2).

The Tuesday evening home encounter against Beecher found Lemont down 17-13 at the first quarter mark, but by halftime, we had rebounded to gain a slight 26-23 lead.

The invaders from Beecher really began to find the scoring range in the second half however. They were on top 47-41 at the next juncture, and then proceeded to carry on to the ultimate 69-47 triumph.

From a statistical standpoint, Lemont was led by Steve Pociask and Pierce Spencer, each of whom popped in 10 points. Dennis Bubinas and Mark Forzley were close behind at 9 and 8 point levels. Rounding out the total point column were Mike Hennebry (4), Mike Heinz (2) and Dick Pierce (2).

The Indians are next faced with a pair of home conference tilts. Sandwich invades the local court on Friday evening, Dec. 12, and then come the Trojans from Dwight, who put in their ap-

pearance on the evening of Saturday, Dec. 13.

Initial frosh-soph action gets underway at 6:30 p.m., while the varsity forces come to trips at approximately 8 p.m.

Lemont and Marseilles lineups, with point totals in parenthesis -

Lemont (78) - Don Nelson (4), Pierce Spencer (16), Dennis Bubinas (15), Mike Hennebry (5), Mike Heinz (10), Steve Pociask (8), Dick Pierce (8), Mark Forzley (2), Dave Staudt (4), Doug Johnson, Alan Brown, John Schwer (4), Jessie Gonzales, Tom Schwer, Rich Hoffman, Greg McCoy (2).

Marseilles (51) - Tim Barra (7), Dave Combs (2), Tony Grooms (10), Don Price (9), Terry Rix (13), Jack Cox (6), Bill Pitsenburger (1), Tim Sigher (3).

Locks Have Most Steel

LOCKPORT -- Lockport ranked fifth in total volume of traffic on the Illinois Waterway in the month of October, with a total of 1,866,150 tons locked through. Bituminous coal led the list of commodities, with a total of 633,740 tons. The local locks ranked first in state totals for iron and steel shipments.

Spartans Bow To Luther

LOCKPORT -- Lockport West dropped their second game in as many days as Luther North wiped out a 48-41 third quarter lead by the Spartans and tallied 21 points in the final period for a 62-60 victory.

Bob Coyne was high scorer for the Spartans with 24 points hitting nine of 15 from the floor and six out of seven from the foul line. Ralph

Pepesh tallied 19 points on seven out of 16 from the floor and five out of six foul tosses.

The Spartans now have a 3-2 record and travel to Geneva this Saturday night for a non-conference game.

Lemonter On N.Y. Mets Team

By RUSS SANDBERG

LEMONT -- Area Cub fans had their disappointments tempered by the fact that a local product, Robert Dale Johnson, was a member of the New York Mets squad, as they made their fantastic last month bid for top laurels in all of professional baseball.

Perhaps I should check this out with Phil (Lep)

Lundeen down in Mayodan, North Carolina, but I do believe that Johnson is the first native Lemonter ever to have his name appear in a major league box score.

Dale turned in a successful showing against the Pittsburgh Pirates, and then gained a save in a late inning outing against the Cubs. Jim Hickman, in particular, will remember Johnson's curve

ball, for he nearly hit the deck on a called third strike.

The 6'4" righthander earned his promotion to the parent Mets off the strength of a terrific season long performance with Memphis, a member of the Texas League.

During his stint with Memphis, Dale was 14-4 on the season, and spun a total of 7 shutouts, which helped to

set up a league leading earned run average of 1.42. Also among his accomplishments was a 14 one game strikeout mark, which set a new all time Memphis record.

Johnson's efforts not only helped to propel Memphis into the Texas League Championship, but also served as the impetus toward what all his many friends hope will be a long and illustrious big league career.

The son of Mr. and Mrs. Bob Johnson, along with his wife, the former Gerry Damaska, is now living temporarily in Guaymas, Mexico, where he is pitching in behalf of the local Mexican winter league club.

Awarded Letter

NEW LENOX -- Northern Illinois University cross-country and soccer athletes were awarded varsity letters at the annual Huskie Fall Sports Banquet held at the college on Dec. 2.

Among the cross-country letterwinners was Stephen Mangun of New Lenox, a graduate of Lincoln-Way High School. Mangun is a freshman student.

Morgan In 4th Contest

COOK COUNTY -- Melvin Morgan of Chicago Heights has been named by the Cook County Democratic Organization to be the party's candidate for Congress in the 4th Congressional District.

Morgan's name was presented to the 4th District screening committee, which is made up of all township committeemen. Morgan received unanimous support of the nine committeemen. Endorsement by the county committee followed.

He promised to acquaint voters of the district with his points of view on vital national and international problems.

Zoning Board Rules

WILL COUNTY -- The zoning board of appeals, in cases considered through Nov. 25, ruled as follows: Not recommended rezoning for part of the southeast quarter of the northwest quarter of Section 35, located on the east side of Oak Avenue, east of Brassel Street in Lockport Township. The appeal was requested by LaSalle National Bank in an attempt to rezone from B-2 to F.

Recommended rezoning F to B-1-C, for part of the northeast quarter of Section 5, located north of Route 80 west of 104th Avenue in Frankfort Township. The Mokena Planning Commission objected to the rezoning which was requested by National Advertising Co.

Recommended rezoning F to B-1-C, for a portion of the northeast quarter of

Section 5, located on the south side of Route 80 west of 104th Avenue in Frankfort Township. This request was also submitted by National Advertising Co. and objected to by the Mokena Planning Commission.

Recommended rezoning F to I-1, for approximately the north 20 acres in the east half of the southeast quarter of Section 9, located on the west side of Route 45 north of LaPorte Road in Frankfort Township. No objectors were present. The request was submitted by Henry Langland.

Recommended rezoning F to B-1-C, for part of the southeast quarter of Section 27, located on the south side of Route 80 east of Route 45 in Frankfort Township. No objectors were present.

What's so hot about an Electric Range?

It's cool.

Any cook knows that heat belongs in the oven, not in the kitchen. And the electric oven knows how to keep it there. Because only an electric oven is insulated on *all six sides*. So the heat stays inside... roasts come out juicier, cakes moister... and your kitchen stays cool. You do too.

What's more, the electric oven bakes *faster*. Because it's insulated on all six sides, less pre-heating is needed. Even the surface units keep your kitchen cool, because heat is transferred directly into the pot and not out into the air. The handle stays cool... and so does the cook.

Time to replace the range at your house? Then take a look at the only one that knows how to keep its cool. The *electric* range.
